

Prompt: write a song about cryptocurrency

Verse 1: I've got a secret, it's a digital currency It's decentralized, no one's in control It's called cryptocurrency, and it's changing the game No need for banks, it's all done in the blockchain

Chorus: Cryptocurrency, it's the future of money Cryptocurrency, it's a whole new way to pay Cryptocurrency, it's a digital revolution  
Cryptocurrency, it's here to stay

Verse 2: I can send it to anyone, anywhere in the world It's fast and secure, no intermediaries I can keep it in my wallet, on my phone or my computer It's all up to me, I'm the one in charge

Chorus: Cryptocurrency, it's the future of money Cryptocurrency, it's a whole new way to pay Cryptocurrency, it's a digital revolution  
Cryptocurrency, it's here to stay

Bridge: It's not just for buying things, it's an investment too The value can go up, or it can go down But I'm not worried, I believe in the power Of cryptocurrency, it's here to stay

Chorus: Cryptocurrency, it's the future of money Cryptocurrency, it's a whole new way to pay Cryptocurrency, it's a digital revolution  
Cryptocurrency, it's here to stay
